Work for Amazon.

When you're looking for a flexible side hustle, Amazon has a system called Mechanical Turk (or MTurk) that's primarily a marketplace for online work.

Companies look for workers to complete online things in return for payment, and workers

find online jobs that are a great match for their skills and interests. The activities differ but might incorporate things as data entry, video processing, creating written content, transcribing data, or even taking surveys.

You can get payment in the form of an Amazon gift card or transport the earnings of yours straight to your bank account.

The best way to Spot a free Amazon Gift Card Scam.

Just like you may be scammed out of cash, Amazon gift cards are also prone to fraud. If someone contacts you and also says you've unpaid debt or owe back taxes and need to spend with a gift card, it's a scam. Scammers actually try to inform people they have won money but have paying fees by having an Amazon gift card before they are able to have the cash of theirs.

[Access Amazon Gift Card Generator](#)

If you're contacted by someone and told to pay for any of these with an Amazon gift card, hang or delete the email. And in case it sounds scammy or perhaps way too great to be correct, it probably is.

Furthermore, be wary of "free Amazon gift card generator" type websites. No such generator exists and any promotion or offer you see on these websites is a scam. Most often you will see the promise of Amazon gift card code "lists" in return for your contact information, and that will be sold elsewhere on the internet.

Set The Earning of yours to Autopilot.

You will find a lot of ways to earn Amazon gift cards for free, it's difficult to know where to begin.

An excellent area to begin is by using the low hanging fruit: earning gift cards for things you already do. For many people, that's shopping. If that's the situation for you then Swagbucks, Rakuten, and Ibotta tend to be excellent options. When you set up your free accounts, you can earn rewards with each site immediately.

Next, start working on the options that interest you most. For example, in case you enjoy to learn about new games, then you definitely might want to take a look at an app which rewards you for this kind of activity. If, on the opposite hand, you like to share your opinion and also influence brands, then paid online surveys might be your best option.

I can easily attest to InstaGC being immediate, though the one drawback is that after you hit 1dolar1 600 for the entire year, you've to provide them your SSN before cashing out (apparently for tax purposes). I ran into that issue this year while looking to save for Christmas. So, fair warning in case you join up on InstaGC, don't make more than 1dolar1 600 a year unless you want to deal with obtaining a 1099 MISC.

MyPoints and PrizeRebel are also excellent options. I double checked and no SSN is required, so that's an added bonus. MyPoints gift cards take a few days to reach the email of yours and it's completely legit, though I'll need to get back to you on PrizeRebel since I've only been using them for around a few weeks (and have yet to cash out there). They do have PayPal cashouts, which is nice, particularly if you would prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In reality, any of these apps/sites are legally required to report the income of yours in case you earn above 1dolar1 600 from them.
