The same as you may be scammed from cash, Amazon gift cards can also be prone to fraud. [Access Amazon Gift Card Generator](#)

If you are contacted by an individual and then told to purchase all of these with an Amazon gift card, hang up and delete the email. And in case it sounds scammy or too good to be correct, it probably is.

Additionally, be skeptical of "free Amazon gift card generator" type websites. No such generator exists plus any offer or promotion you see on these sites is a fraud. Most frequently you'll see the promise of Amazon gift card code "lists" in exchange for the contact information of yours, and that is then sold elsewhere on the web.

Set The Earning of yours to Autopilot.

There are a lot of ways to earn Amazon gift cards at no cost, it is difficult to discover exactly where to start.

An excellent place to start is with the low hanging fruit: earning gift cards for items you already do. For many individuals, that is shopping. If that is the case for you then Swagbucks, Rakuten, along with Ibotta tend to be excellent options. When you set up your free accounts, you are able to earn rewards with each website immediately.

Then, start working on the options that interest you most. For instance, in case you like to learn about new games, then you may want to take a look at an app that rewards you because of this activity type. If, on the other hand, you love to talk about the opinion of yours and influence brands, then paid internet surveys might be your best option.

I can easily attest to InstaGC being instant, but the only drawback is that after you hit 1dolar1 600 for the year, you have to provide them your SSN just before cashing out (apparently for tax purposes). I ran into that matter this year while looking to save for Christmas. So, fair warning in case you join up on InstaGC, try not to create more than 1dolar1 600 a year unless you want to cope with getting a 1099-MISC.

MyPoints and PrizeRebel are excellent options. I double checked and no SSN is required, so that is an added bonus. MyPoints gift cards only take a few days to reach your email also it is completely legit, but I will need to return to you on PrizeRebel since I've just been using them for about a few months (and have yet to cash out there). They actually do have PayPal cashouts, and that is nice, particularly if you would prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In fact, all of these apps/sites are legally required to report your income in case you earn above 1dolar1 600 from them.
