I can attest to InstaGC being immediate, though the only drawback is that once you hit 1dolar1 600 for the year, you have to provide them your SSN before cashing out (apparently for tax purposes). I ran into that issue this year while looking to save for Christmas. Thus, fair warning if you join up on InstaGC, don't create greater than 1dolar1 600 a year until you wish to deal with getting a 1099 MISC.

MyPoints and PrizeRebel are also excellent options. I double-checked and no SSN is required, so that is an additional bonus. MyPoints gift cards only take a short time to get to the email of yours and it's completely legit, though I'll have to get back to you on PrizeRebel since I have only been using them for around a few months (and have yet to cash out there). They do have PayPal cashouts, and that is nice, especially if you would prefer cash rather than gift cards.

The 1dolar1 600 a year threshold is an Irs rule. In reality, all of these apps/sites are legally required to report your income if you get above 1dolar1 600 from them.
