I can attest to InstaGC being immediate, though the only disadvantage is the fact that after you hit 1dolar1 600 for the year, you've to give them your SSN before cashing out (apparently for tax purposes). I ran into that issue this year while looking to save for Christmas. So, fair warning if you join up on InstaGC, try not to make greater than 1dolar1 600 a year until you wish to deal with getting a 1099 MISC.

MyPoints and PrizeRebel are also great options. I double-checked and no SSN is required, so that's an additional bonus. MyPoints gift cards take a short time to get to your email also it's completely legit, though I'll have to return to you on PrizeRebel since I've just been making use of them for about a few months (and have yet to cash out there). They actually do have PayPal cashouts, and that is nice, particularly if you would prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In reality, any of these apps/sites are legally required to report the income of yours if you get above 1dolar1 600 from them.
