Work for Amazon.

When you're looking for a flexible side hustle, Amazon has a system called Mechanical Turk (or MTurk) that is essentially a marketplace for internet work.

Companies look for workers to complete internet tasks in exchange for payment, along with workers find internet jobs that are a good match for their interests and skills. The tasks vary but could include things as data entry, video processing, creating written content, transcribing information, or even taking surveys.

You can receive payment in the form of an Amazon gift card or transport your earnings directly to your bank account.

## How to Spot a free Amazon Gift Card Scam.

The same as you can be scammed from cash, Amazon gift cards can also be susceptible to fraud. If a person contacts you and also says you've unpaid debt or owe back need and taxes to pay with a gift card, it's a fraud. Scammers actually attempt to tell individuals they've won cash but have to pay fees by having an Amazon gift card before they can have the cash of theirs.

### [Access Amazon Gift Card Generator](#)

If you're contacted by an individual and then told to purchase any of these with an Amazon gift card, hang up and delete the email. And if it sounds scammy or too great to be correct, it most likely is.

Furthermore, be skeptical of "free Amazon gift card generator" type sites. No such generator exists plus any offer or promotion you see on these sites is a fraud. Most frequently you'll see the promise of Amazon gift card code "lists" in exchange for your contact information, and that is then sold everywhere else on the web.

Set The Earning of yours to Autopilot.

There are a lot of ways to make Amazon gift cards for free, it's difficult to discover where to start.

A good area to start is with the low hanging fruit: making gift cards for items you already do. For many people, that is going shopping. If that is the case for you then Swagbucks, Rakuten, along with Ibotta tend to be great choices. Once you create your free accounts, you can earn rewards with each site automatically.

Then, start working on the choices that interest you most. For example, if you enjoy learning about new games, then you definitely may want to check out an app which rewards you for this activity type. If, on the opposite hand, you like to talk about the opinion of yours and also influence brands, then paid internet surveys may be the best option of yours.

I can attest to InstaGC being immediate, but the only disadvantage is the fact that after you hit 1dolar1 600 for the entire year, you've to provide them your SSN before cashing out (apparently for tax purposes). I ran into that issue this year while trying to save for Christmas. Thus, fair warning if you join up on InstaGC, try not to make greater than 1dolar1 600 a year until you want to deal with getting a 1099 MISC.

MyPoints and PrizeRebel are excellent options. I double-checked and no SSN is required, so that is an additional bonus. MyPoints gift cards take a short time to get to the email of yours also it's completely legit, but I'll have to get back to you on PrizeRebel since I've only been using them for about a couple weeks (and have yet to cash out there). They actually do have PayPal cashouts, and that is nice, particularly if you'd prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In reality, any of these apps/sites are legally required to report the income of yours if you get above 1dolar1 600 from them.
