If you are contacted by an individual and then told to purchase any of these with an Amazon gift card, hang and delete the email. And if it sounds scammy or too great to be true, it most likely is.

Furthermore, be skeptical of "free Amazon gift card generator" type websites. No such generator exists plus any promotion or offer you see on these websites is a scam. Most frequently you will see the promise of Amazon gift card code "lists" in return for the contact information of yours, which will be sold everywhere else on the internet.

Set Your Earning to Autopilot.

There are a lot of ways to earn Amazon gift cards at no cost, it's difficult to discover where to begin.

A good place to begin is by using the low-hanging fruit: making gift cards for items you already do. For many individuals, that's going shopping. If that's the situation for you then Swagbucks, Rakuten, and Ibotta are all excellent options. Once you create your free accounts, you are able to earn rewards with each website immediately.

Then, start working on the options that interest you most. For example, if you enjoy to learn about new games, then you might want to take a look at an app which rewards you for this activity type. If, on the other hand, you like to share your opinion and influence brands, then paid online surveys may be the best option of yours.

I can attest to InstaGC being immediate, though the one drawback is the fact that once you hit 1dolar1 600 for the year, you've to give them the SSN of yours just before cashing out (apparently for tax purposes). I ran into that issue this year while trying to save for Christmas. So, fair warning if you join up on InstaGC, try not to create more than 1dolar1 600 a year until you want to cope with obtaining a 1099-MISC.

MyPoints and PrizeRebel are excellent options. I double-checked and no SSN is needed, so that's an additional bonus. MyPoints gift cards only take a short time to reach your email and it's totally legit, though I'll need to get back to you on PrizeRebel since I have just been using them for around a couple weeks (and have yet to cash out there). They actually do have PayPal cashouts, and that is nice, particularly if you would prefer cash instead of gift cards.

The 1dolar1 600 a year threshold is an lrs rule. In fact, any of these apps/sites are legally required to report the income of yours if you get above 1dolar1 600 from them.
