Work for Amazon.

When you are searching for a flexible side hustle, Amazon has a system called Mechanical Turk (or maybe MTurk) that is primarily a marketplace for internet work.

Companies look for workers to complete internet tasks in return for payment, along with workers find internet jobs that are a good fit for their interests and skills. The tasks vary but

could incorporate things like data entry, video processing, creating written content, transcribing information, or perhaps taking surveys.

You are able to get payment in the form of an Amazon gift card or even transport your earnings directly to your bank account.

The best way to Spot a no cost Amazon Gift Card Scam.

The same as you may be cheated from cash, Amazon gift cards are also susceptible to fraud. If someone contacts you and also says you have unpaid debt or owe back need and taxes to pay with a gift card, it is a fraud. Scammers even try to inform individuals they've received money but have paying fees by having an Amazon gift card before they are able to have their cash.

[Access Amazon Gift Card Generator](#)

If you are contacted by an individual and told to pay for any of these with an Amazon gift card, hang and delete the email. And in case it sounds scammy or too great to be correct, it most likely is.

Furthermore, be wary of "free Amazon gift card generator" type sites. No such generator exists plus any promotion or offer you see on these websites is a fraud. Most frequently you will see the promise of Amazon gift card code "lists" in return for your contact information, and that will be sold elsewhere on the web.

Set Your Earning to Autopilot.

There are so many ways to make Amazon gift cards for free, it is difficult to discover exactly where to begin.

An excellent place to begin is with the low hanging fruit: making gift cards for items you currently do. For many people, that is shopping. If that is the case for you then Swagbucks, Rakuten, along with Ibotta are all great options. When you set up your free accounts, you are able to earn rewards with each site automatically.

Next, start working on the options that interest you most. For instance, in case you like learning about new games, then you may wish to take a look at an app which rewards you for this kind of activity. If, on the opposite hand, you love to talk about the opinion of yours and also influence brands, then paid internet surveys might be your best option.

Hi! I'm Ben. A personal finance nerd on a mission to help DollarSprout readers make and also save more cash. A quoted contributor for Business Insider, Business.com, Discover, Intuit, MSN, NBC News, Yahoo Finance and more, I work helping others live the financial best life of theirs.

--> seven seven comments.

I can easily attest to InstaGC being immediate, but the only disadvantage is that after you hit 1dolar1 600 for the year, you have to provide them the SSN of yours just before cashing out (apparently for tax purposes). I ran into that issue this year while trying to save for Christmas. Thus, fair warning in case you join up on InstaGC, try not to make greater than 1dolar1 600 a year unless you wish to deal with obtaining a 1099 MISC.

MyPoints and PrizeRebel are great options. I double-checked and no SSN is required, so that is an added bonus. MyPoints gift cards take a few days to get to the email of yours also it is totally legit, but I'll have to get back to you on PrizeRebel since I have only been making use of them for about a couple weeks (and have yet to cash out there). They actually do have PayPal cashouts, and that is nice, especially if you'd prefer cash instead of gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In fact, any of these apps/sites are legally required to report the income of yours in case you earn above 1dolar1 600 from them.

While it is not feasible to redeem the Amazon gift card of yours for cash, there are some sites you are able to sell the gift card top of yours and this will allow you to get the money. Nevertheless, you are unlikely to get the full face value for your gift card, as many sites have a commission for allowing you to sell your gift card through them.

Cardyard is one of these sites, and they have a quick calculator here which allows you to find out exactly how much you would get for your gift card. I set up an Amazon electronic gift code valued at £100 and it said I would get the money value of £90, or maybe a credit worth of £94.50. So it may be safer to make use of the full cash value and hold onto the Amazon gift cards of yours until you have one thing you have to buy.
