It may sound as a scam, but it's not. You will find plenty of methods to get free gift cards to a lot of other retailers also.

Companies often offer these benefits as an incentive for users to complete small tasks. For example, you are able to earn free gift cards by completing internet surveys, playing video games, or just for the shopping you already do. In return, these businesses get information on consumer behavior or, in some instances, a percentage of the cash you spend with some retailers.

Thus while you will still need to do something to unlock these free Amazon gift card codes, all of these activities require little effort and time.

If you have a well used smartphone or tablet you no longer use, you might be able to get paid for it through Amazon's Trade-In program. It buys smartphones, e-readers, game consoles, tablets, and books.

[Access Amazon Gift Card Generator](#)

Work for Amazon.

If you are looking for a flexible side hustle, Amazon has a system called Mechanical Turk (or MTurk) that is essentially a marketplace for internet work.

Companies look for workers to complete internet things in exchange for payment, along with workers find internet jobs which are a good fit for their interests and skills. The

activities differ but might include things as data entry, video processing, creating written articles, transcribing information, or even taking surveys.

You are able to get payment in the form of an Amazon gift card or transport the earnings of yours straight to your bank account.

How to Spot a no cost Amazon Gift Card Scam.

Just like you can be cheated from cash, Amazon gift cards are also prone to fraud. If someone contacts you and also says you have unpaid debt or owe back taxes and need to spend with a gift card, it's a fraud. Scammers actually attempt to inform people they've received cash but have to pay fees by having an Amazon gift card before they can have the cash of theirs.

[Access Amazon Gift Card Generator](#)

If you are contacted by an individual and told to purchase all of these with an Amazon gift card, hang up or delete the email. And if it sounds scammy or perhaps way too great to be true, it most likely is.

Additionally, be wary of "free Amazon gift card generator" type sites. No such generator exists plus any promotion or offer you see on these websites is a fraud. Most often you'll see the promise of Amazon gift card code "lists" in exchange for the contact information of yours, which will be sold everywhere else on the internet.

Set Your Earning to Autopilot.

You will find a lot of ways to make Amazon gift cards for free, it's hard to know where to begin.

An excellent area to start is with the low hanging fruit: making gift cards for items you already do. For many individuals, that is shopping. If that is the case for you then Swagbucks, Rakuten, along with Ibotta are all excellent options. Once you set up the free accounts of yours, you are able to earn rewards with each site immediately.

Then, move on to the options that interest you most. For example, if you like learning about new games, then you might want to take a look at an app that rewards you for this activity type. If, on the opposite hand, you like to talk about the opinion of yours and also influence brands, then paid internet surveys might be the best option of yours.

I can attest to InstaGC being immediate, though the one disadvantage is the fact that once you hit 1dolar1 600 for the year, you have to give them the SSN of yours before cashing out (apparently for tax purposes). I ran into that matter this year while trying to save for Christmas. Thus, fair warning if you join up on InstaGC, try not to make more than 1dolar1 600 a year until you want to cope with getting a 1099-MISC.

MyPoints and PrizeRebel are excellent options. I double-checked and no SSN is required, so that is an additional bonus. MyPoints gift cards take a few days to reach your email also it's completely legit, though I will need to get back to you on PrizeRebel since I have just been using them for about a few weeks (and have yet to cash out there). They actually do have PayPal cashouts, and that is nice, particularly if you'd prefer cash instead of gift cards.

The 1dolar1 600 annually threshold is an lrs rule. In reality, all of these apps/sites are legally required to report the income of yours if you get above 1dolar1 600 from them.

While it's not possible to redeem your Amazon gift card for cash, there are some sites that you are able to sell the gift card top of yours and this will allow you to get the cash. Nevertheless, you are not likely to get the full face value for your gift card, as many sites take a commission for allowing you to sell your gift card through them.

Cardyard is one of these sites, and they have a rapid calculator here that enables you to find out how much you would get for your gift card. I set up an Amazon digital gift code valued at £100 which said I would get the cash value of £90, or a credit value of £94.50. So it might be safer to make use of the full cash value and hold onto your Amazon gift cards until you have something you need to buy.
