I can attest to InstaGC being instant, though the only drawback is the fact that after you hit 1dolar1 600 for the entire year, you have to give them your SSN before cashing out (apparently for tax purposes). I ran into that issue this year while trying to save for Christmas. Thus, fair warning in case you join up on InstaGC, try not to make more than 1dolar1 600 a year until you want to cope with getting a 1099-MISC.

MyPoints and PrizeRebel are also great options. I double checked and no SSN is required, so that's an added bonus. MyPoints gift cards only take a short time to get to your email also it's completely legit, though I will need to get back to you on PrizeRebel since I have only been making use of them for about a few months (and have yet to cash out there). They do have PayPal cashouts, and that is nice, particularly if you'd prefer cash instead of gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In reality, all of these apps/sites are legally required to report your income in case you get above 1dolar1 600 from them.
