Work for Amazon.

When you are searching for a flexible side hustle, Amazon has a system called Mechanical Turk (or MTurk) that's essentially a marketplace for online work.

Companies look for workers to complete online things in exchange for payment, and workers find online jobs that are a good match for their skills and interests. The activities vary but could include things as data entry, video processing, creating written content, transcribing information, or even taking surveys.

You can get payment in the form of an Amazon gift card or transport the earnings of yours directly to the bank account of yours.

The best way to Spot a no cost Amazon Gift Card Scam.

Just like you can be scammed from cash, Amazon gift cards are also susceptible to fraud.

If someone contacts you and says you have unpaid debt or owe back need and taxes to pay with a gift card, it's a fraud. Scammers actually attempt to inform people they've won money but have paying fees by having an Amazon gift card before they can have the cash of theirs.

[Access Amazon Gift Card Generator](#)

If you are contacted by an individual and then told to purchase all of these with an Amazon gift card, hang and delete the email. And if it sounds scammy or perhaps way too good to be correct, it probably is.

Furthermore, be skeptical of "free Amazon gift card generator" type websites. No such generator exists and any promotion or offer you see on these websites is a fraud. Most often you'll see the promise of Amazon gift card code "lists" in exchange for your contact information, and that is then sold elsewhere on the internet.

Set The Earning of yours to Autopilot.

There are so many ways to make Amazon gift cards at no cost, it's difficult to know where to start.

A good place to start is by using the low hanging fruit: earning gift cards for items you currently do. For many individuals, that's shopping. If that's the situation for you then Swagbucks, Rakuten, and Ibotta are all excellent options. Once you set up your free accounts, you can earn rewards with each site automatically.

Next, move on to the options that interest you most. For example, if you enjoy learning about new games, then you might want to check out an app that rewards you for this activity type. If, on the opposite hand, you like to talk about the opinion of yours and influence brands, then paid online surveys may be your best option.

I can attest to InstaGC being immediate, though the only drawback is that after you hit 1dolar1 600 for the year, you have to give them your SSN just before cashing out (apparently for tax purposes). I ran into that matter this year while trying to save for Christmas. So, fair warning if you join up on InstaGC, don't create greater than 1dolar1 600 a year until you want to cope with obtaining a 1099-MISC.

MyPoints and PrizeRebel are also great options. I double checked and no SSN is required, so that's an added bonus. MyPoints gift cards only take a short time to reach the email of yours and it's completely legit, though I'll have to get back to you on PrizeRebel since I've just been using them for about a couple months (and have yet to cash out there). They actually do have PayPal cashouts, which is nice, particularly if you'd prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In fact, all of these apps/sites are legally required to report your income if you get above 1dolar1 600 from them.
