How to Spot a no cost Amazon Gift Card Scam.

The same as you may be cheated out of cash, Amazon gift cards are also prone to fraud. If a person contacts you and says you have unpaid debt or owe back taxes and need to spend with a gift card, it's a scam. Scammers even try to tell individuals they have received cash but have paying fees by having an Amazon gift card before they are able to have the

cash of theirs.

[Access Amazon Gift Card Generator](#)

If you are contacted by an individual and then told to pay for all of these with an Amazon gift card, hang up and delete the email. And if it sounds scammy or perhaps way too great to be true, it probably is.

Furthermore, be wary of "free Amazon gift card generator" type websites. No such generator exists and any offer or promotion you see on these sites is a scam. Most often you'll see the promise of Amazon gift card code "lists" in return for your contact information, which will be sold everywhere else on the web.

Set The Earning of yours to Autopilot.

You will find a lot of ways to make Amazon gift cards for free, it's difficult to discover where to start.

An excellent area to start is by using the low hanging fruit: making gift cards for things you currently do. For many people, that is shopping. If that is the situation for you then Swagbucks, Rakuten, along with Ibotta tend to be great choices. When you create the free accounts of yours, you can earn rewards with each site immediately.

Next, move on to the choices that interest you most. For instance, if you enjoy to learn about new games, then you might want to take a look at an app that rewards you for this activity type. If, on the opposite hand, you love to talk about your opinion and influence brands, afterward paid internet surveys may be the best option of yours.

I can easily attest to InstaGC being immediate, but the one disadvantage is the fact that after you hit 1dolar1 600 for the entire year, you have to give them the SSN of yours just before cashing out (apparently for tax purposes). I ran into that matter this year while trying to save for Christmas. So, fair warning if you join up on InstaGC, don't make greater than 1dolar1 600 a year unless you want to deal with getting a 1099 MISC.

MyPoints and PrizeRebel are also excellent options. I double checked and no SSN is needed, so that is an additional bonus. MyPoints gift cards only take a short time to get to your email and it's completely legit, but I'll need to get back to you on PrizeRebel since I have only been using them for about a few weeks (and have yet to cash out there). They do have PayPal cashouts, and that is nice, particularly if you would prefer cash rather than gift cards.

The 1dolar1 600 a year threshold is an lrs rule. In reality, all of these apps/sites are legally required to report your income if you get above 1dolar1 600 from them.
