Use the Receipt Hog app to snap photos of your shopping receipts and publish them for rewards. It does not matter where you shop or even what you purchase, Receipt Hog will exchange your shopping data for one of 2 rewards: coins or perhaps spins.

Work with the coins of yours to get free Amazon gift cards, money, or maybe magazine subscriptions. Spins let you play the Hog Slots for chances to win a lot more coins. You can also take surveys to earn additional coins.

Receipt Hog offers a limited amount of areas, and sometimes there is a waitlist to join. You are able to download the app and sign on to receive notice when the program opens once again.

6. Get them from Amazon.

While most individuals have read of doing surveys online for rewards and are familiar with cash-back shopping apps to make free Amazon gift cards, the simplest way to obtain them is from the source.

[Access Amazon Gift Card Generator](#)

Right now Amazon has a sweet deal: reload a current gift card with \$100 or even more and get a totally free ten dollars bonus. If you shop on Amazon routinely and have \$100 to reload or even purchase a gift card, then it might be worth it to snag the free money.

Think about the Amazon Visa Card.

Work for Amazon.

If you are searching for a flexible side hustle, Amazon has a system called Mechanical Turk (or maybe MTurk) that's primarily a marketplace for internet work.

Companies seek workers to complete internet things in return for payment, along with workers find internet jobs that are a great fit for their interests and skills. The tasks vary but

could include things like data entry, video processing, creating written content, transcribing data, or perhaps taking surveys.

You are able to get payment in the form of an Amazon gift card or even transfer the earnings of yours directly to the bank account of yours.

The best way to Spot a no cost Amazon Gift Card Scam.

Just like you can be cheated out of cash, Amazon gift cards can also be susceptible to fraud. If someone contacts you and says you have unpaid debt or owe back need and taxes to spend with a gift card, it's a scam. Scammers actually try to tell individuals they have received money but have paying fees with an Amazon gift card before they can have their cash.

[Access Amazon Gift Card Generator](#)

If you are contacted by an individual and then told to purchase all of these with an Amazon gift card, hang and delete the email. And if it sounds scammy or perhaps way too great to be true, it probably is.

Additionally, be skeptical of "free Amazon gift card generator" type websites. No such generator exists and any offer or promotion you see on these sites is a scam. Most frequently you will see the promise of Amazon gift card code "lists" in return for your contact information, which will be sold everywhere else on the internet.

Set Your Earning to Autopilot.

There are so many ways to make Amazon gift cards for free, it's hard to know exactly where to start.

A good area to start is by using the low-hanging fruit: making gift cards for things you already do. For many people, that's shopping. If that's the situation for you then Swagbucks, Rakuten, along with Ibotta are all excellent choices. Once you create your free accounts, you are able to earn rewards with each site immediately.

Then, start working on the choices that interest you most. For instance, if you enjoy to learn about new games, then you definitely might want to take a look at an app that rewards you because of this kind of activity. If, on the opposite hand, you love to talk about the opinion of yours and influence brands, then paid internet surveys may be the best option of yours.

Hi! I am Ben. A personal finance nerd on a mission to help DollarSprout readers create and save more money. A quoted contributor for Business Insider, Business.com, Discover, Intuit, MSN, NBC News, Yahoo Finance and much more, I work helping others live the financial best life of theirs.

--> seven seven comments.

I can attest to InstaGC being immediate, but the one disadvantage is the fact that once you hit 1dolar1 600 for the year, you have to give them your SSN just before cashing out (apparently for tax purposes). I ran into that issue this year while trying to save for Christmas. So, fair warning if you join up on InstaGC, don't create more than 1dolar1 600 a year unless you want to deal with obtaining a 1099-MISC.

MyPoints and PrizeRebel are excellent options. I double checked and no SSN is required, so that's an added bonus. MyPoints gift cards take a few days to get to your email and it's completely legit, but I will need to return to you on PrizeRebel since I have just been using them for about a few months (and have yet to cash out there). They actually do have PayPal cashouts, which is nice, particularly if you would prefer cash rather than gift cards.

The 1dolar1 600 a year threshold is an lrs rule. In reality, all of these apps/sites are legally required to report the income of yours if you earn above 1dolar1 600 from them.

✓ Amazon gift card overseas use.

Codes or amazon gift cards that are issued in the UK can just be used on the UK Amazon site. Some Amazon gift cards bought in the UK must be used on the UK site, so it's crucial you make sure any websites you join and complete any work or tasks for are issuing UK gift cards or even codes.

There are some cases that you are able to earn enough in gift cards / codes to justify buying from the US Amazon, but generally I have found that it can shoot way to long time to build up enough to coat the postage costs of having your product shipped over.

✓ Do Amazon gift cards work internationally?

Amazon gift cards can just be utilized in the nation they were bought or even issued in.

While it's not possible to redeem the Amazon gift card of yours for cash, there are a few websites that you are able to sell your gift card top and this can allow you to get the cash. However, you are not likely to get the complete face value for your gift card, as many websites take a commission for allowing you to market your gift card through them.

Cardyard is 1 of these websites, and they've a quick calculator here that enables you to see exactly how much you would get for your gift card. I put in an Amazon electronic gift code valued at £100 and it said I would get the cash value of £90, or maybe a credit value of £94.50. So it might be better to make use of the complete cash value and hold onto the Amazon gift cards of yours until you have something you have to purchase.
