Work for Amazon.

If you are searching for a flexible side hustle, Amazon has a program called Mechanical Turk (or MTurk) that is essentially a marketplace for online work.

Companies seek workers to complete online tasks in exchange for payment, and workers

find online jobs that are a good fit for their interests and skills. The tasks vary but could include things as data entry, video processing, creating written articles, transcribing information, or even taking surveys.

You can get payment in the form of an Amazon gift card or even transport your earnings straight to the bank account of yours.

The best way to Spot a free Amazon Gift Card Scam.

The same as you can be cheated out of cash, Amazon gift cards are also prone to fraud. If a person contacts you and also says you have unpaid debt or owe back taxes and need to spend with a gift card, it is a fraud. Scammers even attempt to inform people they have received cash but have to pay fees by having an Amazon gift card before they are able to have the cash of theirs.

[Access Amazon Gift Card Generator](#)

If you are contacted by an individual and told to pay for any of these with an Amazon gift card, hang or delete the email. And if it sounds scammy or too good to be correct, it most likely is.

Furthermore, be skeptical of "free Amazon gift card generator" type sites. No such generator exists plus any promotion or offer you see on these websites is a fraud. Most frequently you will see the promise of Amazon gift card code "lists" in exchange for the contact information of yours, which is then sold elsewhere on the web.

Set The Earning of yours to Autopilot.

There are so many ways to make Amazon gift cards for free, it is hard to discover where to start.

A good place to start is by using the low hanging fruit: making gift cards for items you already do. For many people, that is shopping. If that is the case for you then Swagbucks, Rakuten, and Ibotta tend to be great options. Once you create your free accounts, you can earn rewards with each website immediately.

Then, start working on the options that interest you most. For instance, if you enjoy to learn about new games, then you might want to take a look at an app which rewards you because of this activity type. If, on the opposite hand, you like to share the opinion of yours and also influence brands, then paid online surveys may be the best option of yours.

I can easily attest to InstaGC being immediate, though the only drawback is that once you hit 1dolar1 600 for the year, you have to provide them the SSN of yours before cashing out (apparently for tax purposes). I ran into that issue this year while trying to save for Christmas. So, fair warning if you join up on InstaGC, try not to make greater than 1dolar1 600 a year until you want to deal with obtaining a 1099-MISC.

MyPoints and PrizeRebel are great options. I double-checked and no SSN is needed, so that is an additional bonus. MyPoints gift cards only take a few days to reach your email also it is totally legit, though I'll need to return to you on PrizeRebel since I have only been making use of them for about a few weeks (and have yet to cash out there). They actually do have PayPal cashouts, and that is nice, especially if you'd prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an lrs rule. In fact, any of these apps/sites are legally required to report the income of yours if you get above 1dolar1 600 from them.
