Work for Amazon.

When you're looking for a flexible side hustle, Amazon has a program called Mechanical Turk (or MTurk) that's essentially a marketplace for online work.

Companies seek workers to complete online tasks in exchange for payment, and workers find online jobs which are a good match for their interests and skills. You can receive payment in the form of an Amazon gift card or transport your earnings straight to the bank account of yours.

## How to Spot a no cost Amazon Gift Card Scam.

The same as you can be scammed out of cash, Amazon gift cards are also susceptible to fraud. If someone contacts you and also says you have unpaid debt or owe back taxes and need to pay with a gift card, it is a scam. Scammers even attempt to inform individuals they have received cash but have paying fees with an Amazon gift card before they are able to have the cash of theirs.

[Access Amazon Gift Card Generator](#)

If you're contacted by someone and told to purchase any of these with an Amazon gift card, hang up and delete the email. And if it sounds scammy or too great to be true, it most likely is.

Furthermore, be skeptical of "free Amazon gift card generator" type websites. No such generator exists and any offer or promotion you see on these sites is a scam. Most often you'll see the promise of Amazon gift card code "lists" in exchange for your contact information, and that will be sold elsewhere on the internet.

## Set Your Earning to Autopilot.

There are so many ways to earn Amazon gift cards for free, it is difficult to know exactly where to begin.

An excellent place to start is by using the low-hanging fruit: making gift cards for things you currently do. For many individuals, that's going shopping. If that's the case for you then Swagbucks, Rakuten, and Ibotta are all great options. When you set up your free accounts, you can earn rewards with each website automatically.

Next, move on to the options that interest you most. For example, if you like learning about new games, then you definitely might want to check out an app which rewards you for this kind of activity. If, on the opposite hand, you love to share your opinion and also influence brands, then paid online surveys might be your best option.

I can easily attest to InstaGC being instant, though the only drawback is the fact that after you hit 1dolar1 600 for the year, you have to provide them your SSN before cashing out (apparently for tax purposes). I ran into that issue this year while trying to save for Christmas. So, fair warning if you join up on InstaGC, try not to create more than 1dolar1 600 a year unless you want to deal with obtaining a 1099-MISC.

MyPoints and PrizeRebel are also great options. I double-checked and no SSN is needed, so that's an additional bonus. MyPoints gift cards only take a few days to reach the email of yours also it is totally legit, though I will need to return to you on PrizeRebel since I have just been using them for about a couple months (and have yet to cash out there). They do have PayPal cashouts, which is nice, particularly if you would prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In reality, any of these apps/sites are legally required to report your income if you earn above 1dolar1 600 from them.
