Work for Amazon.

If you are searching for a flexible side hustle, Amazon has a program called Mechanical Turk (or MTurk) that is primarily a marketplace for online work.

Companies seek workers to complete online things in exchange for payment, and workers find online jobs that are a good fit for their interests and skills. The tasks differ but could include things as data entry, video processing, creating written articles, transcribing information, or even taking surveys.

You are able to get payment in the form of an Amazon gift card or even transport your earnings straight to the bank account of yours.

The best way to Spot a free Amazon Gift Card Scam.

Just like you may be scammed from cash, Amazon gift cards are also prone to fraud. If someone contacts you and also says you've unpaid debt or owe back taxes and need to spend with a gift card, it's a scam. Scammers even attempt to tell individuals they've received cash but have paying fees with an Amazon gift card before they can have their cash.

[Access Amazon Gift Card Generator](#)

If you are contacted by an individual and then told to purchase all of these with an Amazon gift card, hang up and delete the email. And if it sounds scammy or way too great to be correct, it probably is.

Additionally, be skeptical of "free Amazon gift card generator" type sites. No such generator exists and any offer or promotion you see on these sites is a scam. Most frequently you'll see the promise of Amazon gift card code "lists" in exchange for the contact information of yours, which is then sold everywhere else on the internet.

Set The Earning of yours to Autopilot.

There are a lot of ways to make Amazon gift cards for free, it's difficult to know exactly where to begin.

An excellent place to begin is with the low hanging fruit: making gift cards for things you currently do. For many individuals, that is shopping. If that is the case for you then Swagbucks, Rakuten, and Ibotta tend to be excellent options. When you set up the free accounts of yours, you are able to earn rewards with each site automatically.

Then, start working on the options that interest you most. For example, if you enjoy learning about new games, then you definitely may want to check out an app which rewards you because of this activity type. If, on the other hand, you love to talk about the

opinion of yours and also influence brands, then paid online surveys might be the best option of yours.

I can easily attest to InstaGC being immediate, but the only disadvantage is the fact that once you hit 1dolar1 600 for the year, you've to provide them the SSN of yours before cashing out (apparently for tax purposes). I ran into that matter this year while looking to save for Christmas. So, fair warning if you join up on InstaGC, don't create more than 1dolar1 600 a year unless you want to deal with obtaining a 1099-MISC.

MyPoints and PrizeRebel are also excellent options. I double checked and no SSN is required, so that is an added bonus. MyPoints gift cards take a few days to reach your email and it's totally legit, but I will need to return to you on PrizeRebel since I have only been using them for around a couple weeks (and have yet to cash out there). They do have PayPal cashouts, and that is nice, especially if you would prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an lrs rule. In reality, all of these apps/sites are legally required to report the income of yours if you get above 1dolar1 600 from them.
