Work for Amazon.

When you're looking for a flexible side hustle, Amazon has a system called Mechanical Turk (or maybe MTurk) that's essentially a marketplace for internet work.

Companies look for workers to complete internet things in return for payment, and workers find internet jobs that are a great fit for their interests and skills. The tasks vary but could include things as data entry, video processing, creating written articles, transcribing data,

or even taking surveys.

You are able to receive payment in the form of an Amazon gift card or even transfer your earnings straight to the bank account of yours.

The best way to Spot a free Amazon Gift Card Scam.

Just like you can be cheated out of cash, Amazon gift cards are also susceptible to fraud. If someone contacts you and also says you've unpaid debt or owe back need and taxes to pay with a gift card, it's a fraud. Scammers even attempt to inform people they have received cash but have to pay fees by having an Amazon gift card before they can have their cash.

[Access Amazon Gift Card Generator](#)

If you're contacted by someone and then told to pay for any of these with an Amazon gift card, hang up and delete the email. And in case it sounds scammy or perhaps too good to be true, it probably is.

Additionally, be skeptical of "free Amazon gift card generator" type sites. No such generator exists and any promotion or offer you see on these websites is a fraud. Most frequently you'll see the promise of Amazon gift card code "lists" in return for the contact information of yours, which will be sold elsewhere on the web.

Set Your Earning to Autopilot.

There are a lot of ways to earn Amazon gift cards at no cost, it's hard to know where to start.

A good area to start is by using the low hanging fruit: earning gift cards for items you already do. For many people, that's going shopping. If that's the case for you then Swagbucks, Rakuten, and Ibotta are all great options. Once you create the free accounts of yours, you are able to earn rewards with each site automatically.

Then, move on to the options that interest you most. For example, in case you like learning

about new games, then you definitely may wish to check out an app which rewards you because of this kind of activity. If, on the opposite hand, you love to share the opinion of yours and also influence brands, then paid internet surveys might be your best option.

I can attest to InstaGC being instant, but the only drawback is that once you hit 1dolar1 600 for the entire year, you've to provide them your SSN just before cashing out (apparently for tax purposes). I ran into that matter this year while looking to save for Christmas. So, fair warning in case you join up on InstaGC, don't create more than 1dolar1 600 a year unless you wish to cope with obtaining a 1099 MISC.

MyPoints and PrizeRebel are also great options. I double checked and no SSN is required, so that's an added bonus. MyPoints gift cards take a short time to get to the email of yours also it's completely legit, but I will have to get back to you on PrizeRebel since I've just been making use of them for about a couple months (and have yet to cash out there). They actually do have PayPal cashouts, which is nice, particularly if you would prefer cash rather than gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In reality, any of these apps/sites are legally required to report your income in case you get above 1dolar1 600 from them.
