Work for Amazon.

If you're looking for a flexible side hustle, Amazon has a system called Mechanical Turk (or MTurk) that is primarily a marketplace for online work.

Companies look for workers to complete online tasks in return for payment, along with workers find online jobs which are a good fit for their interests and skills. The tasks differ but could include things like data entry, video processing, creating written articles, transcribing information, or even taking surveys.

You are able to get payment in the form of an Amazon gift card or transfer your earnings straight to the bank account of yours.

How to Spot a free Amazon Gift Card Scam.

Just like you can be cheated from cash, Amazon gift cards are also susceptible to fraud. If someone contacts you and also says you have unpaid debt or owe back taxes and need to pay with a gift card, it's a scam. Scammers actually attempt to inform individuals they've won cash but have paying fees with an Amazon gift card before they can have their cash.

[Access Amazon Gift Card Generator](#)

If you're contacted by an individual and then told to pay for any of these with an Amazon gift card, hang and delete the email. And if it sounds scammy or too good to be correct, it probably is.

Additionally, be wary of "free Amazon gift card generator" type websites. No such generator exists plus any promotion or offer you see on these sites is a scam. Most frequently you will see the promise of Amazon gift card code "lists" in return for the contact information of yours, which will be sold everywhere else on the internet.

Set The Earning of yours to Autopilot.

You will find so many ways to earn Amazon gift cards for free, it's difficult to know exactly where to start.

A good place to begin is with the low hanging fruit: making gift cards for items you already do. For many individuals, that is going shopping. If that is the situation for you then Swagbucks, Rakuten, along with Ibotta tend to be great options. When you create your free accounts, you are able to earn rewards with each website automatically.

Next, move on to the options that interest you most. For example, if you like to learn about new games, then you definitely may want to check out an app that rewards you because of this kind of activity. If, on the other hand, you like to share the opinion of yours and also influence brands, afterward paid online surveys may be the best option of yours.

I can attest to InstaGC being immediate, but the only drawback is the fact that after you hit 1dolar1 600 for the year, you have to give them the SSN of yours before cashing out (apparently for tax purposes). I ran into that matter this year while looking to save for Christmas. Thus, fair warning if you join up on InstaGC, try not to create greater than 1dolar1 600 a year until you want to deal with obtaining a 1099 MISC.

MyPoints and PrizeRebel are excellent options. I double checked and no SSN is needed, so that is an added bonus. MyPoints gift cards take a few days to get to the email of yours and it's totally legit, but I will need to get back to you on PrizeRebel since I have just been using them for about a couple months (and have yet to cash out there). They actually do have PayPal cashouts, and that is nice, particularly if you would prefer cash instead of gift cards.

The 1dolar1 600 a year threshold is an lrs rule. In reality, any of these apps/sites are legally required to report the income of yours if you earn above 1dolar1 600 from them.
