Work for Amazon.

If you are looking for a flexible side hustle, Amazon has a system called Mechanical Turk (or MTurk) that is primarily a marketplace for online work.

Companies seek workers to complete online things in return for payment, and workers find online jobs which are a great fit for their skills and interests. The tasks differ but could incorporate things as data entry, video processing, creating written content, transcribing data, or even taking surveys.

You are able to receive payment in the form of an Amazon gift card or transport the earnings of yours directly to the bank account of yours.

## How to Spot a free Amazon Gift Card Scam.

The same as you may be cheated from cash, Amazon gift cards are also prone to fraud. If someone contacts you and also says you've unpaid debt or owe back need and taxes to spend with a gift card, it is a fraud. Scammers actually attempt to inform people they've won cash but have paying fees with an Amazon gift card before they are able to have the cash of theirs.

[Access Amazon Gift Card Generator](#)

If you are contacted by an individual and then told to purchase all of these with an Amazon gift card, hang up or delete the email. And in case it sounds scammy or perhaps way too good to be true, it most likely is.

Furthermore, be skeptical of "free Amazon gift card generator" type sites. No such generator exists plus any offer or promotion you see on these websites is a fraud. Most frequently you'll see the promise of Amazon gift card code "lists" in return for the contact information of yours, and that is then sold everywhere else on the web.

## Set Your Earning to Autopilot.

There are a lot of ways to make Amazon gift cards for free, it is hard to know exactly where to begin.

A good area to start is with the low-hanging fruit: making gift cards for items you currently do. For many people, that is going shopping. If that is the case for you then Swagbucks, Rakuten, and Ibotta are all excellent options. Once you create your free accounts, you are able to earn rewards with each site automatically.

Then, move on to the options that interest you most. For instance, in case you like learning about new games, then you definitely might wish to take a look at an app that rewards you for this activity type. If, on the other hand, you like to share your opinion and also influence brands, then paid online surveys might be your best option.

I can easily attest to InstaGC being instant, though the one disadvantage is the fact that once you hit 1dolar1 600 for the entire year, you've to give them the SSN of yours before cashing out (apparently for tax purposes). I ran into that issue this year while looking to save for Christmas. So, fair warning in case you join up on InstaGC, try not to create more than 1dolar1 600 a year until you wish to cope with getting a 1099-MISC.

MyPoints and PrizeRebel are great options. I double-checked and no SSN is required, so that is an additional bonus. MyPoints gift cards only take a short time to reach the email of yours and it is completely legit, though I'll have to get back to you on PrizeRebel since I have just been making use of them for around a couple weeks (and have yet to cash out there). They actually do have PayPal cashouts, which is nice, especially if you'd prefer cash instead of gift cards.

The 1dolar1 600 annually threshold is an Irs rule. In reality, all of these apps/sites are legally required to report your income in case you earn above 1dolar1 600 from them.
