Work for Amazon.

If you're looking for a flexible side hustle, Amazon has a program called Mechanical Turk (or MTurk) that's primarily a marketplace for online work.

Companies look for workers to complete online things in exchange for payment, and workers find online jobs that are a good match for their interests and skills. The activities vary but could include things as data entry, video processing, creating written articles, transcribing information, or perhaps taking surveys.

You are able to get payment in the form of an Amazon gift card or transport your earnings directly to your bank account.

## How to Spot a free Amazon Gift Card Scam.

The same as you can be scammed out of cash, Amazon gift cards are also prone to fraud. If a person contacts you and also says you've unpaid debt or owe back taxes and need to pay with a gift card, it is a scam. Scammers actually try to inform people they have received money but have to pay fees with an Amazon gift card before they are able to have their cash.

[Access Amazon Gift Card Generator](#)

If you're contacted by an individual and then told to purchase all of these with an Amazon gift card, hang up or delete the email. And in case it sounds scammy or way too good to be true, it most likely is.

Furthermore, be wary of "free Amazon gift card generator" type websites. No such generator exists and any offer or promotion you see on these websites is a scam. Most often you will see the promise of Amazon gift card code "lists" in exchange for the contact information of yours, and that is then sold everywhere else on the internet.

## Set Your Earning to Autopilot.

You will find so many ways to earn Amazon gift cards at no cost, it is hard to know where to begin.

An excellent place to begin is by using the low hanging fruit: earning gift cards for items you currently do. For many individuals, that's shopping. If that's the situation for you then Swagbucks, Rakuten, and Ibotta tend to be great choices. Once you create the free accounts of yours, you are able to earn rewards with each site immediately.

Then, move on to the choices that interest you most. For example, in case you enjoy to learn about new games, then you definitely may want to take a look at an app which rewards you for this kind of activity. If, on the other hand, you like to share the opinion of yours and also influence brands, then paid online surveys may be the best option of yours.

--> seven seven comments.

I can easily attest to InstaGC being immediate, but the only disadvantage is that after you hit 1dolar1 600 for the entire year, you've to give them the SSN of yours before cashing out (apparently for tax purposes). I ran into that matter this year while trying to save for Christmas. Thus, fair warning in case you join up on InstaGC, try not to make more than 1dolar1 600 a year until you want to deal with getting a 1099-MISC.

MyPoints and PrizeRebel are also excellent options. I double-checked and no SSN is needed, so that's an additional bonus. MyPoints gift cards only take a few days to reach your email and it is completely legit, but I'll have to get back to you on PrizeRebel since I've only been making use of them for about a few months (and have yet to cash out there). They actually do have PayPal cashouts, which is nice, especially if you would prefer cash instead of gift cards.

The 1dolar1 600 a year threshold is an lrs rule. In fact, all of these apps/sites are legally required to report your income in case you earn above 1dolar1 600 from them.
